

Summary curriculum vitae

DAN THOMSON

MA (Cantab)

Dan Thomson studied History at the University of Cambridge, graduating with first class honours in 1997.

After working at the Church Commissioners for England, where his roles included work with the Church Heritage Forum, Dan joined the staff of CABE in 2001. He worked as part of the design review programme at CABE, which offers expert advice on major development proposals across England. As well as writing design review panel minutes, he played a key role in the production of a number of CABE publications. He is the principal author and editor of *Design Reviewed 1* and *2*.

Latterly, Dan worked as a design review advisor, guiding major projects through the CABE design review process, writing advice letters to applicants and providing advice to DCMS on post-war listing cases.

Dan joined Peter Stewart Consultancy in 2008. Since then, he has been principally responsible for the writing of townscape assessments, design reports and historic environment reports for a wide range of development proposals. He has been involved in work on major projects including the Embassy Gardens scheme in Nine Elms, Dollar Bay in Tower Hamlets and One Tower Bridge in Southwark.

Dan has also contributed a number of articles on tall buildings and the role of design in regeneration to the architectural and property press.
